

A Note from the Pastor

Dear Saint Michael Catholic School Families,

As the 2019-2020 school year comes to a close, I want to take this opportunity to offer my sincere and heartfelt gratitude to our amazing teachers. Each one of us has endured months of unforeseen challenges during this pandemic. Across the nation, schools have had to face a new environment for learning. Our school faculty united and gave their all to ensure that they continued to provide an excellent Catholic education for our students. In some sense, they worked even harder as distance learning became necessary. It is clear that our teachers' perseverance and prayerfulness have carried our school family through these most difficult times.

Our Saint Michael Parish Council recently committed to praying a rosary for each member of the faculty and staff. They each received a handwritten card, a creative haiku, and a bottle of wine to show the gratitude of our parish for their outstanding dedication.

I also wish to offer my gratitude to Mrs. Kathleen Miller, our interim principal. She arrived at our school in the midst of transition. Her professional leadership, kindness, and joyful character have guided the teachers, students and families in a truly marvelous way. All have benefited from her prayerful heart. We are abundantly blessed that God sent her to us. We wish her well as she returns to retirement this summer.

Finally, I give thanks to God for all you and for your commitment. So many have offered prayers and support, which have truly strengthened the school, bringing the year to a strong finish. Thank you for entrusting your children to Saint Michael Catholic School.

I am also grateful for the continued prayers for me and for the Principal Search Committee. I am confident that I will be able to announce the new principal very soon. Until then, let us continue to pray for one another during these summer months, especially for our 8th Grade Class of 2020. More challenges await us, but as long we remain as a family united in Christ, we will emerge stronger and more vibrant than ever before.

God bless and go Tigers!
