

SMCS Supports Our Community!

The fifth annual *“Pies for the Community”* is here! Please donate a pie!

St. Michael Catholic School students and families will deliver pies to nursing homes, our sick and shut in, fire departments, senior living facilities and other community service areas. This is an opportunity to remind our community that we appreciate the support they provide to our school. Please consider donating a store bought pie, dropping off at school on **Monday, November 18th before 9:00 am** so they can be delivered before the Thanksgiving Holiday. Thank you to our PTO and Beta Club for partnering in this effort!
